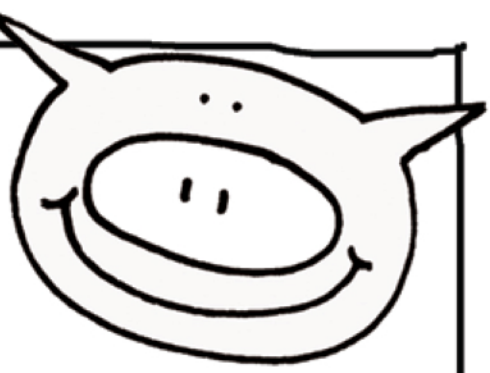
Write a book review



If you love Pig's Secret diary why not write a book review about it? Make sure you include the following things:

- The title and author of the book you read
- A summary of the book. What were the main things that happened in the book? Make the book sound interesting, but don't give away the plot twists or the ending!
- What did you think of the book? Did you enjoy the book or not? What were your favourite parts of the book?
